Once our laundry tap was leaking and I decided to fix it. It was a very complicated tap that had the outlet to the washing machine on it as well as a tap for the basin. However, believing I was a reasonable handyman I thought I could fix it. I spent a long time trying different spanners and wrenches but finally had to admit defeat. I could not do it. I had to call in a plumber to do the job. It is hard to admit that you can't do something you think you should be able to do.

Before God we have to admit that we cannot save ourselves. We cannot be good enough to win acceptance from him. We have to rely on what he has done for us through Jesus' death on the cross. He has to fix the problem of sin for us. All we can do is receive his salvation by faith.

In Galatians 3:1-14 Paul says if we rely on being good enough by keeping God's law we are under the curse of God's judgment. But he tells us Jesus has taken that curse when he died on the cross.

Yours in Christ,

Nick

St James Mission Prayer

Heavenly Father, we thank you that you so loved the world that you sent your only Son to die for our salvation. We pray that you would enable us to share that good news with those in our community. Raise up leaders for our ministries and empower them by your Spirit. Guide us all to be faithful to your will and give us a true love for the people we serve. We ask this in the name of Jesus Christ our Lord. **Amen.**

Can We Trust the Bible?

Isn't it just myths? Has it been changed over the centuries? Who wrote it? Can we really know how we got it?

Come and find out! This is an opportunity to ask questions.

at St James Holt.**

Stay for hot soup and rolls. Followed by prayer & worship.
